Employer Guide to Commuting More Responsibly
Employees spend two hours a day fighting traffic. This is time poorly spent.

We can all agree starting your day this way can hurt performance.
Have your employees start the day more refreshed, healthier, and better balanced.
EasyRide is a benefit to you and your community.
EasyRide eliminates your employees’ need to . . .

- Stress about monthly parking expenses
- Disconnect two hours a day
- Fret over monthly expenses
Join the growing number of businesses changing their employees commute.
How to get started:

1. Email Jason Minser at jason.minser@nashville.gov

2. In the subject line write: “Improving my employees’ commute”

3. In the body of the email, paste the contact information of your HR representative.

4. Jason will take it from there.
