Thank you for choosing a Nashville Metropolitan Transit Authority (Nashville MTA) or Regional Transportation Authority of Middle Tennessee (RTA) venue for your event. Our goals are to insure that Nashville MTA customers and Davidson Transit Organization (DTO) employees commute and work in a safe and professional environment, to promote the protection of Nashville MTA property and equipment, and to establish the Nashville MTA system as a reliable and pleasant alternative to other forms of transportation throughout the Nashville metropolitan area.

Please note that Nashville MTA and RTA property may not be used for individual political campaign speeches or activities. Campaign activities are defined as those activities directly related, pro or con, to the campaign or individual political candidates or ballot issues.

Submitting the request below is not a guarantee that it will be accepted. Applications must be submitted no fewer than 45 days prior to the event (including set-up). You will receive a response to your request within two weeks of submitting your application.

You are responsible for any required permitting, licensure, insurance, security personnel, staff, and equipment rentals for your event. RTA and Nashville MTA do not typically provide these services. RTA or Nashville MTA may provide additional security and staffing on request, as available, and as needed at an additional cost. The applicant must provide a Certificate of Insurance (COI) naming RTA or Nashville MTA as the Insured at the time of the contract, and include an additional one million dollars of coverage if alcohol is to be served at the event.
